

# UPDATE IN BREAST CANCER: From 0-60

Breast Cancer  
Awareness Month

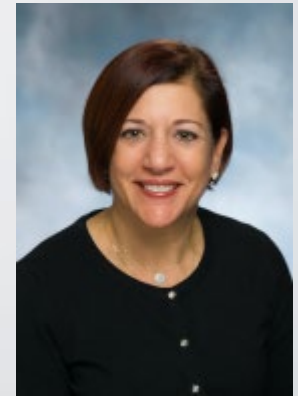

Wednesday, October 26, 2022 – 3:00 to 4:00 PM (Virtual)

**Speaker: Dr. Deborah Toppmeyer –**

Chief Medical Officer, Director, Stacy Goldstein Breast Cancer Center, Director, LIFE Center and Chief, Medical Oncology

“When a patient hears the words, ‘You have breast cancer,’ they need to know that all breast cancer is not alike. We will, therefore, recommend a *personalized treatment plan* tailored to their particular disease to maximize the benefit.”

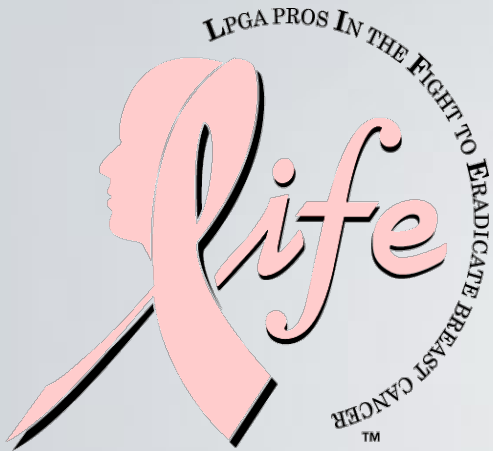

**Host:** Linden & Woodbridge Youth Enjoy Science High School Club in collaboration with Rutgers Youth Enjoy Science and LIFE Center at Rutgers Cancer Institute of New Jersey
