Third Annual Ladies Nite Out Brings in Gift for The Cancer Institute of New Jersey

New Brunswick, N.J., December 7, 2005. The Third Annual Ladies Nite Out, held November 6 at the Cherry Valley Country Club, raised more than \$18,000 to benefit The Cancer Institute of New Jersey (CINJ). This year, more than 200 guests enjoyed the private shopping opportunity with thirteen exclusive vendors, a silent auction, wine arbor and diamond raffle event. Ticket sales, raffle and auction proceeds, along with 15% of vendor sales were donated to support the research, prevention, treatment, and education programs at CINJ.

“We were very pleased and truly appreciative of the record turnout and generosity of the guests, vendors and community businesses who supported the event,” stated Ladies Nite Out Co-Chairs, Tracey Simon and Corrine Mulford, both Montgomery residents.

Ladies Nite Out is one of many fundraisers initiated and executed by members of the community and local businesses.

The Cancer Institute of New Jersey is the state’s first and only National Cancer Institute-designated Comprehensive Cancer Center, and is dedicated to improving the prevention, detection, treatment and care of patients with cancer. CINJ’s physician-scientists engage in translational research, transforming their laboratory discoveries into clinical practice—quite literally bringing research to life. The Cancer Institute of New Jersey is a Center of Excellence of UMDNJ-Robert Wood Johnson Medical School.
