Three years in the making, ***THE WEIGHT OF THE NATION*** is a four-part documentary series, featuring case studies and interviews with leading experts and with individuals and families struggling with obesity. The series spotlights the facts and myths of this urgent public health issue, showing how obesity affects the health of the nation and cripples the health care system – and what individuals and communities can do.

THE WEIGHT OF THE NATION is a presentation of HBO and the Institute of Medicine (IOM), in association with the Centers for Disease Control and Prevention (CDC) and the National Institutes of Health (NIH), and in partnership with the Michael & Susan Dell Foundation and Kaiser Permanente.

We hope you join us to learn more about this pressing health issue, and how you can help support our efforts to combat obesity in our own community.
