

Meridian Health presents: An Oncology Nursing Update Lecture

This interactive nursing update in cancer will provide an opportunity for oncology nurses to delve into the treatment of patients affected by breast, lung, pancreatic, head and neck, gynecologic and hematologic diseases. The program will allow for sharing of knowledge and opinions that will enhance outcomes for patients.

Monday, August 15, 2016
8:00 a.m. - 12:30 p.m.

**Jersey Shore University
Medical Center
Lance Auditorium**
