

## SR form for unfunded and underfunded projects

CINJ policy for prioritization is that all SRs prioritize 1) NCI-funded projects, 2) other cancer-relevant projects, and 3) projects that are likely to support the development of peer-reviewed cancer grants, IITs, and high-impact peer-reviewed original research publications particularly projects addressing catchment area priorities. If you are requesting BISR service without sufficient funding please fill in the below form. BISR staff will not discuss or initiate an unfunded or underfunded project unless the below form is submitted and the project approved.

\* PI Name (Responsible for the scientific design of the below project):

\* Project title:

\* Is there an approved research (e.g. IRB/IACUC) protocol? Y/Pending/N

If Yes, please enter approval authority, name, protocol start/end date and protocol number:

If it is pending, please discuss the submission date:

If no protocol is needed, please discuss the reasons:

\* Scope of Work: (6-10 lines describing the rationale and hypothesis for your proposal).

\* Does this query of the BISR clinical data involve cases in breast, cervical, colorectal, lung, melanoma, or prostate cancer? Yes / No

\* How do you expect to use findings from your research?

1. Present an abstract at a symposium: (please name)

2. Submit a publication: (If yes, please state if you are in the early, middle, late stage of manuscript preparation)

3. Use the result to start a larger grant application: (If yes, please state if you are in the early, middle, late stage of proposal development preparation)

4. Project Timeline: How long do you expect the aforementioned scope of work to take

5. Other:

### **THIS SECTION IS TO BE FILLED BY THE SR MANAGER**

\* PI Membership level (Full/Associate\*/Associate/Other):

\* Amount of Units required for the SKU:

If the project is underfunded, please describe how the hours and cost of underfunded work being requested:

\* Cost to the Member (multiply units by the correct rate: CCSG member rate/Internal Academic rate/ External Academic Rate/ Industry):
