

**Carol G. Simon
Cancer Center Presents:**

American Society of Clinical Oncology 2016 Review

Annual Update in Oncology

Saturday, June 25, 2016

**7:30 AM to 8:00 AM:
Registration and Breakfast**

**8:00 AM to 10:00 AM:
Lectures**

**10:00 AM to 10:15 AM:
Break**

**10:15 AM -12:15 PM
Lectures**

**12:15 PM:
Lunch: Eat in or take out**

**Malcolm Forbes Amphitheater
Morristown Medical Center
100 Madison Avenue
Morristown, NJ 07962**

At the end of the session, participants should be able to:

- 1) More accurately diagnose and treat various types of cancer including: lung, breast, gastrointestinal and genitourinary.
- 2) Focus on the use of AJCC staging in clinical practice, which includes the use of appropriate prognostic indicators and evidence based national guidelines used in treatment planning.

This conference welcomes a distinguished faculty summarizing the latest data as of ASCO 2016. The variety of topics should be of interest to surgeons, medical and radiation oncologists and other medical professionals. Nurses and allied health professionals are also welcomed.
