

## 2025 ANNUAL

# Cancer Health Equity Center of Excellence (CHECoE) CANCER DISPARITIES RESEARCH SYMPOSIUM

### Keynote Speakers:

**TIMOTHY R. REBBECK, PHD**  
Professor of Cancer Prevention  
Dana-Farber Cancer Institute

**BEVERLY CANIN**  
Cancer Survivor, Advocate  
and Cancer and Aging  
Research Group Member

**April 22, 2025**  
9AM-5PM

**RUTGERS CANCER INSTITUTE**  
**AUDITORIUMS A & B**

Please join us for an exciting opportunity to collaborate with scientists and community members in advancing cancer disparities research. The event will feature two inspiring keynote speakers and a series of flash talks showcasing research in basic and translational science, as well as population and clinical disparities, presented by leading researchers from the Rutgers Cancer Institute and top institutions across New Jersey.

**Limited seating available, registration required.**

This event is partially funded by the Cancer Research Training and Education (CRTEC) department and the Scholars and Early Stage Advancement (SEA) Initiative at Rutgers Cancer Institute, NIH 3P30CA072720-24S2
