Prostate Cancer Support Group

This support group, which has been in existence since 1991, welcomes those with prostate cancer, their loved ones, family members and/or caregivers to attend. Meetings take place the fourth Wednesday of the month. Meeting format alternates each month between lectures by Princeton HealthCare System physicians and health professionals and open discussion.

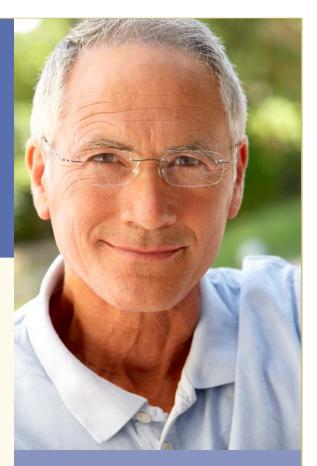

On January 28 join us for an "Update on Conventional and Alternative Therapies for Prevention and Treatment of Prostate Cancer," presented by Connie Pfeiffer, PharmD, BCPS, BCOP, Clinical Pharmacist of Oncology & Internal Medicine with University Medical Center at Princeton and Clinical Associate Professor at the Ernest School of Pharmacy at Rutgers—The State University of New Jersey.

On **February 25** please join us for an open discussion co-facilitated by Lois Glasser, LCSW, Oncology Social Worker, Cancer Care of New Jersey, and Karen Rust, RN, BSN, OCN, UMCP's Cancer Outreach Coordinator.

University Medical Center at Princeton is a Clinical Research Affiliate of The Cancer Institute of New Jersey and an accredited oncology teaching program of the American College of Surgeons' Commission on Cancer.
