WHO WE ARE?

The *Rutgers Youth Enjoy Science (RUYES)* program seeks to encourage youth from groups that are underrepresented in the biomedical sciences to pursue cancer research and healthcare careers. The RUYES program is funded by the National Institutes of Health/National Cancer Institute grant 1R25CA247785.

WHAT TO EXPECT?

Students will have the opportunity to:

- Engage in basic, clinical, or population-based cancer research for 9-10 weeks during two consecutive summers. (2023 and 2024)
- Receive professional development and training in Topics of Cancer Biology, Laboratory Skills, and Career Development.
- Present their research findings at an Annual Research Symposium.
- Receive compensation for their time and conservative funds towards temporary housing and parking.
