

# Atlantic Health System Cancer Care Presents: American Society of Clinical Oncology 2018 Review Annual Update in Oncology

**Saturday, June 30, 2018 • 8:00am to 12:30pm**  
**Malcolm Forbes Amphitheater, Morristown Medical Center**  
**100 Madison Avenue, Morristown, NJ 07960**

## Planners

**Missak Haigentz, MD Chairman, Cancer Committee**  
*Morristown Medical Center*

**Dennis Lowenthal, MD Chairman, Cancer Committee**  
*Overlook Medical Center*

**Maithili V. Rao, MD**  
*Morristown Medical Center*

**Andrew M. Bernstein, DO**  
*Chilton Medical Center*

## Objectives

At the end of the session, participants should be able to:

- › More accurately diagnose and treat various types of cancer including lung, breast, gastrointestinal and genitourinary.
- › Focus on the use of AJCC staging in clinical practice, which includes the use of appropriate prognostic indicators and evidence based national guidelines used in treatment planning.

This conference welcomes a distinguished faculty summarizing the latest data presented at ASCO 2018. The variety of topics should be of interest to surgeons, medical and radiation oncologists and other physicians, nurses and allied health professionals.
